Abaton Island Resort & Spa has debuted an uplifting new hotel video to kick off the new year in style.

See what it takes to make it on hotel’s customer service team as new recruits attend a unique kind of boot camp, with often hilarious and inspirational results.

Brought to life by actual members of the hotel’s staff, the video highlights Abaton’s commitment to providing flawless guest service.

Owner George Kaloutsakis said: “Excellent customer service is what defines us.

“At our luxury hotel, we provide professional services, delivered with passion and dedication every day.

“It is an honour for us to be part of this team, and to provide a personal sanctuary for everyone who stays with us.”
